REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the difference between the Applicant's claims and Marucci et al. (pivotal reference) is subtle yet dispositive. Marucci discloses a spacer (24-25) that **moves** with respect to a supporting member (11) during movement of a manipulation member (12). Each of the Applicant's independent claims 1 and 19 include language toward a spacer (130) that is **stationary** with respect to a supporting member during movement of a manipulation member. To this end, the application is in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peter J. Vrettakos whose telephone number is 571-272-4775. The examiner can normally be reached on M-F 9-6.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda C. Dvorak can be reached on 571-272-4764. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
